

## Test Report

Report No.:1110060261052

Serial No.	Insepection Item		Technical Requirement	Test Result	Item Conclusion
1	QS Symbol		Need to print(stick) QS symbol	compliance	eligible
2	Sealability		200Kpa, no air leak, no cap off	compliance	eligible
3	Thermal Stability	Low temperature performance of cap without gas	No crack, no deform, no leak when in inversion	compliance	eligible
4	Drop Test		No crack, no cap off, no leak	compliance	eligible
5	Excess fat Performance		Liquid surface can't appear lipid	compliance	eligible
6	Capping performance		After cap is capper on the bottle, there is no deform and no rupture of cap body and tamper evident ring	compliance	eligible
7	Security performance		After capping, there is no clear breakage of bridge link	compliance	eligible
8	Open and twist-off moment		Between 0.6-2.2N • m	0.8	eligible
9	Sense		Normal color, no bad smell, no foreign odor, no foreign body	compliance	eligible
10	Evaporation Residue (4% acetic acid 60°C, 2h), mg/L		≤30	7.5	eligible
11	Evaporation Residue (65% ethanol, 20°C, 2h), mg/L		≤30	4.5	eligible
12	Evaporation Residue ( normal hexane 20°C, 2h), mg/L		≤60	11.5	eligible
13	Consumption of potassium permanganate(water, 60°C, 2h), mg/L		≤10	1.36	eligible
14	Heavy Metal(as Pb) (4% acetic acid, 60°C, 2h), mg/L		≤1.0	<1	eligible
15	Decoloring Test( ethanol)		negative	negative	eligible
16	Decoloring Test(buffet oil)		negative	negative	eligible
17	Decoloring Test( soaking)		negative	negative	eligible
