Dear Customer,

Due to the increase in LTL shipping costs, we must unfortunately raise the cost of our merchandise in the category of product that falls between \$150 and \$2500. All other price categories remain as they were. Orders under \$2500 are now shipped FOB either frt collect or pre-pay and add. Please indicate your preference when ordering.

We have not increased our prices in many years, but we can no longer keep our prices at this level and continue to provide you the quality of product and level of service we've been able to provide.

Our new price list goes into effect on 1/1/09 and will be effective thru 2010. Our price lists are available on our website at [www.krazystraws.com](http://www.krazystraws.com) in the corporate interchange section. We would also be happy to e-mail them to you or provide copies by mail.

Thank you for your patronage and hopefully you will understand the necessity for this price increase.

With warm regards,

*Stephanie Shepard-Lipson, VP*
